My presentation is attached here, so you have it.

Stan and Chris can perhaps send you their presentations (if any) tomorrow morning, or they can bring their computers. I don't think we have any other planned presentations on our agenda.

Frank,

Hi. Our rules are similar. You can connect a computer to our screen. We can connect our computers to our system, and the screen. But, no sticks can be exchanged on our computers and you cannot connect to our system.

So -- there are many ways to make this happen. Should be fine, especially if we email them to me and I will log in to the computer in the room.

Super. By the way, Lynn and I will use the attached short presentation. I don't know if you have the same sort of rules as we have at CDC, but presentations can't come in here on a memory stick, only by email, so I'm sending this to you. I'll also bring it on a memory stick if that works for you. Thanks for everything, Bruce!

Hi -- I believe Jorge has already submitted his information -- things should be fine.

I even have chocolates for the meeting!

Jorge,

It appears we may still be able to get you in to the meeting at EEOB Room 428 tomorrow. Please
IMMEDIATELY complete and submit the form you will find at this address:

<https://events.whitehouse.gov/form?rid=GBDF39QYWF>

Be sure you are at the appointment gate at 12:30 p.m.

Dear CTA Members:

The CTA Face-2-Face is on Tuesday, September 13, at 1:00 p.m. at the Eisenhower Executive Office Building
(EEOB) Room 428.

You enter at the White House Appointments Gate on 17th Street and State Place (see attached map). The
other entrance gates shown on the map in black boxes are not open to you. Use the one I annotated in RED.
You will go through four screening checkpoints to enter. It may take as much as 30-minutes to get
through the screening process so please come early.

NOTE: The first screening point off 17th Street, the uniformed Secret Service will need to see your U.S.
Government ID PIV Card and will ask for your "Last 4." If you come too early they may make you wait. The
last time I was overly early they told me I couldn't enter until 30-minutes before the meeting. That
said, it is better to be there early and wait than to come later and wait in the screening lines while
the meeting is going on upstairs.

I hope you have all registered via the RSVP link I sent previously and that you received your response
email from the White House. If you have not done so, please do it now. If your request is not in by
tomorrow (Friday) you will not be able to enter to attend the meeting. In order to access the White House
grounds you need to have US Secret Service clearance through their on-line WAVES system. Here is the RSVP

Frank,

We can still make the WAVES - it just adds up on our bad slate with the USSS, who expect 72 hours in advance. We can make these work.

Dear Jorge,

I see you were forwarded and accepted the invitation to the CTA Face-2-Face, but the meeting is being held in the EEOB which requires pre-screening by the Secret Service (that was due last Friday). So, I'm afraid you will not be able to get into the building for the meeting tomorrow. We will not have a dial-in option for the meeting.
